## Product

|               |                                                                       |
|---------------|-----------------------------------------------------------------------|
| Productnaam   | Brother TZe-C31 compatible lettertape zwart op fluoriserend geel 12mm |
| Artikelnummer | TZe-C31                                                               |
| Verkocht per  | 1 stuk                                                                |
| Eenheid       | stuk / stuks                                                          |
| Gewicht       | 47 g per stuk                                                         |

## Geschikte printers

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |

## Identificatie

|               |         |
|---------------|---------|
| Fabrikantcode | TZe-C31 |
|---------------|---------|

## Afmetingen

|         |               |
|---------|---------------|
| Breedte | 12 millimeter |
| Lengte  | 8 meter       |

## Materiaal en lijm

|           |               |
|-----------|---------------|
| Materiaal | Plastic       |
| Kleur     | Zwart op geel |

## Regelgeving & handelsinformatie

|                      |                                                                                      |
